### About the Conductor Mr. David Mendenhall

Dave Mendenhall received his undergraduate and graduate degrees from the University of Minnesota. He has spent the last 33 years as a music educator in Apple Valley, MN. He was director of bands at Scott Highland Middle School for 28 years before retiring in 2010. His school jazz ensembles and bands have played at numerous festivals and conventions (MMEA in 1994), earning outstanding recognition by educators and clinicians alike. As a professional musician, Dave has performed in the Twin Cities corporate and jazz scene playing with national and local musicians. He is currently serves on the JazzMN Orchestra board as the educational chair, works for McNally Smith Music College as an educational outreach liaison, teaches privately and continues to play professionally.

Understanding and teaching the 'process of learning' has been the most rewarding part of my career. Helping young students develop life skills through the learning of an instrument, and then making music with others, has been inspirational to me.

## *Message from the MBDA President*

Welcome to the 2011-12 MBDA State Honor Bands Concert. MBDA is honored to represent such a fine group of dedicated instrumental music educators and music students. This year, Minnesota's finest musicians have been selected, and have gathered in Fergus Falls for a wonderful experience. They have been fortunate to spend time with top notch conductors and teachers from around the state. Please share your student's success with your local community including school administrators, board members, and local media. Help us recognize some of the finest students in Minnesota.
