A Message from the MBDA President

Good afternoon!

On behalf of the Minnesota Band Directors Association, it is my pleasure to welcome you to today's performance of the third annual Middle Level Honor Band. The sixth through ninth grade students participating in this fine band represent 58 schools, and were selected by audition from more than 550 students across the state.

Students have had a busy day and a half -- rehearsing under the guidance of Professor Timothy Mahr, working through difficult passages with their section coaches, experiencing pieces through the eyes of their conductor/composer, and making new friends.

Please join me in extending a special thank you to the many people who have had an important part in this Honor Band experience -- parents and family members, school directors and private teachers, MBDA auditioners and section coaches, the staff at Wayzata Central Middle School, the MMEA office staff, Mr. Doug Schmitt of Schmitt Music Centers for donating the printed music, and Mr. Dan Massoth for coordinating this event.

I hope you enjoy the concert this afternoon, and that you will have many more opportunities to applaud the successes of your student musicians!

Wendy Barden, President
Minnesota Band Directors Association

About the Conductor

Dr. Timothy Mahr

An associate professor of music at St. Olaf College (Northfield, MN), Timothy Mahr conducts the St. Olaf Band, teaches courses in composition, music education and conducting, and supervises instrumental music student teachers. He is the President-Elect of the North Central Division of the College Band Directors National Association (1997-99) and has served on the Board of Directors of the National Band Association and the Minnesota Band Directors Association. Mahr remains active as a guest conductor and clinician, in demand across the nation as well as in Norway and Canada. He has been in residence as a guest composer/conductor on over twenty-five college and university campuses.

Mahr's compositions have been performed by ensembles worldwide and many have been published. The first recipient of a commission from the American Bandmasters Association Commissioning Project, Mahr continues to be commissioned by universities, colleges, high schools, state bandmaster associations, and community groups nationally. Recent commissions include works for the Music Educators National Conference and the United States Air Force Band. He received the 1991 ABA/Ostwald Award for his work The Soaring Hawk. Mahr was elected to membership in the American Bandmasters Association in 1993.
