# A Message from the MBDA President

Good Afternoon!

On behalf of the Minnesota Band Directors Association it is my pleasure to welcome you to today's performance of the Middle Level 6-8 Honor Band and the Grades 9-10 Honor Band. This is the seventh year that MBDA has sponsored this program, and the fourth year that we have had two bands. The members of the 6-8 band represent 45 schools; the members of the 9-10 band represent 42 schools. All students were selected by taped audition from among nearly 700 applicants. These students represent band programs from throughout the state. Our guest conductors, Marianne Sandstrom and Ric Hansen, began working with the students on Friday afternoon and evening, and met with them again this morning for two and a half hours to put the final touches on the music. We appreciate the hard work, musicianship and leadership that our conductors have provided these young musicians. Working together, meeting other students from around the state and experiencing a high level of music-making have been some of the highlights of this Honor Band experience. A special thank you is extended to the many people who gave their time, energy and expertise to make this a successful experience for these musicians. This includes parents, family members, band directors, private teachers, MBDA audition judges and section coaches, Steve Lyons and the staff of Champlin Park High School, the MMEA office staff, and Sue Moran for taking on the large responsibility of chairing our Honor Band Program. Thank you as well to Groth, Pepper and Schmitt Music Companies for donating all of the printed music for the two bands. Thank you for attending today's concert and for all you have done to support this opportunity for Minnesota band students. Now, sit back and enjoy the efforts of these wonderful students!
