About the Conductor

Dr. Robert Ouren

Dr. Ouren has been a Minnesota music educator for over 35 years, graduating from Winona State College with a Bachelors degree, and receiving both his Master of Arts and Ph.D. from the University of Minnesota. He began his teaching career in the Caledonia Public Schools, teaching instrumental music; and he has also taught in Winona, Pine Island, and at the University of Minnesota.

In 1991, Bob became director of bands at Edina High School, where he directed the marching band as well as the Varsity and Symphonic Bands and Jazz Band. The Edina district's music staff won the Exemplary Program Award from the Minnesota Music Educators Association (MMEA) in 1998-99. In 2000, he began a new adventure, which involved designing and implementing the band and music programs for the new Fine Arts Interdisciplinary Resource School (also called The FAIR School) in Crystal, Minnesota, where he was the director of bands for five years. It was during Bob's term there that the FAIR School received the National Creative Ticket Award, by the Kennedy Center, for its arts-infused curriculum. The FAIR School Advance Band was also selected to perform at the MMEA state convention in 2003.

In 2005, Bob returned to the Edina Public Schools, serving as the Teaching and Learning Specialist For the Arts for four years. During this tenure, the Edina Schools were named 2005 and 2007 GRAMMY Signature School Award winners.

Bob has been nominated for many awards during his busy career including The Disney American Teacher Award and the Ashland Oil Achievement Award. Bob received the Stanbury Award for Outstanding Band Director in Minnesota from the American School Band Directors Association, among others. In 2007 Bob was a semi-finalist in the Minnesota Teacher of the Year program sponsored by Education Minnesota. Recently Bob received the Educator for the Year Award for 2011 from the Minnesota Music Educators Association.

Message from the MBDA President

Welcome to the 2012-2013 MBDA State Honor Bands Concert. MBDA is honored to present these fine groups of dedicated instrumental students. We also thank and acknowledge their teachers, who spent many painstaking hours going over every student's audition to make sure that each student was properly represented. This weekend, these ensembles gathered in Chanhassen to represent their music programs, and it is our hope that each student will take this experience to enrich their home school. Please share your student's success with your local community including school administrators, board members, and local media. Help us recognize some of the finest students in Minnesota!
